

2010 Small Works Exhibit

Call for Entries

Why: Small Works is a non-juried exhibit celebrating the inspiration we experience in our GNSI community. This is a chance to be creative and express yourself!

What: Create any image you would like inspired by the following meetings: 2009 Fort Kent Maine, 2008 Ithaca New York, 2007 Bozeman Montana, or by any Summer Workshops during the same years.

Medium: Any 2-D medium. If you do not want to part with the original, or have already created something that needs to be reduced you can send a reproduction.

Size: Images should be 3 1/2" x 4" with at least 1/8" bleed all around. You can work in either a vertical or horizontal format.

When: Please have all entries to me by June 11th to allow time for them to be matted and framed. Include and identify any additional materials you want included on the back of your framed piece (ie. business card.) All materials must fit within an 8x10 area.

Fee: A \$5 entry fee per piece, to cover the cost of framing. You may enter more than one piece. Your entry fee will be waived if you chose to donate at least one Small Work to the GNSI auction.

Where: Send artwork to:
